

9 December 1971

Mr. W. R. Smyser

STAT

Dear Dick:

Per our 8 December telephone conversation, enclosed are the published versions of the six documents on which processing has now been completed. As indicated when we talked, I would appreciate your protecting the existence of this series by ensuring that no one other than yourself sees any of the items in this set.

I hope the thesis goes well.

Regards.

As always,

Enclosures
